In March we had four members successfully complete their EMT Basic Training, Julie Hill, Brandy Cantner, Frances Wallace, and Gage Kelley. This class started last August with two sessions per week and at least one Saturday per month. Once again we are fortunate that these people are willing and able to devote their time and effort for the service to this community. Thank you and congratulations to each of you.

Upon the their successful completion of the National EMT-B Exam, hopefully yet this month, we will have 4 additional EMT's on staff. Please join me in extending your appreciation to these members when you see them.

Respectfully Submitted,

John W. Patchin, Chief
Gerrish Township Fire / EMS Department
