

Resolution# 2011-12-13-03

December 13, 2011

Resolution: Consumers Energy Authorization for Change

Whereas, on December 1, 1980 Gerrish Township entered into a Standard Lighting Contract with Consumers Energy Company in order to provide street lighting to residents; and

Whereas, in accordance with the Authorization for Change in Standard Lighting Contract dated January 12, 2011 the Township must approve any repairs or replacement street lights; and

Whereas, the street light as located at 3526 East Higgins Lake Drive, Roscommon, Michigan is available for upgrade from mercury vapor to high pressure sodium, which is more efficient than the current lighting; and

Now, therefore be it resolved, that the Gerrish Township Board hereby deems it advisable to make changes in the lighting service as provided above and authorizes Township Clerk to execute such authorizations for change on the behalf of the Township as they apply to the Authorization for Change in Standard Lighting.
