reference possible Fire Damage Claim, Rosc County Fire Chief's and EMS Meeting, Rosc County Fire Fighters Association, Township monthly Board Work Session and the Regular Township Board Meeting.

In January the department collected \$9894.65 for Ambulance Services and \$15.00 from Reimbursements.

Each year in the first week of February the Houghton Lake Resorter features the Emergency Medical Services in the area. As part of their feature each agency is given the opportunity to highlight one of they members. We use this opportunity to highlight our EMT of the year and this year that person is Julie Hill. Julie joined our department in August of 2009 and immediately started her training as an EMT-Basic and successfully completed the course and received her license in March 2010. Julie is currently the Secretary of the Gerrish Firefighter/EMS Association and works both part time and on call as and EMT.

Our community is fortunate that we have the dedicated personnel that give of their time and talent on a moment's notice when the job has to be done. I am proud of our caring staff and the service they give to this community. Thanks again, one and all.

Respectfully Submitted,

John W. Patchin, Chief  
Gerrish Township Fire / EMS Department
