Reminder..... Gerrish Township Board will hold a public hearing on the Medical Marihauna Facilities Licensing Act this Friday November 17th at 6:00pm here at the Township. This meeting will provide you the information that many municipalities are dealing with at this time. The Board is looking to hear the thoughts of the public regarding the presence of the licenses in our community. Gerrish Township is not proposing anything, just looking for input. For those not able to attend the Public Hearing, there will be a survey on our website next week to provide your input.
